

Bedazzled

Black Star Farms is located on the same 45th Parallel that runs through some of the world's greatest wine regions. Our unique "lake effect" climate allows us to produce classic varietal wines that truly express our dynamic wine region. Fruit is sourced from the proprietor's vineyards and our local grower partners on the Old Mission and Leelanau Peninsulas. This diversity allows us to obtain consistent quality across vintages.

Winemaker Comments

The fruit profile for this wine is brighter than most sparklers, which makes it beautifully refreshing. The bubbles are delicate enough to keep it vibrant on the tongue, and the sweetness level is kept to a minimum to maintain its versatility with food.

Tasting Notes

A balanced but unpretentious bubbly, perfect for everyday celebrations. Fresh, crisp fruit flavors will dance on your palate, followed by a delightfully dry finish. * *Add a little orange juice for a great mimosa*
