Black Star Farms is located on the same 45th Parallel that runs through some of the great wine regions of the world. Our unique “lake effect” climate allows us to produce classic varietal wines that truly express our dynamic wine region. Fruit is sourced from both the proprietor’s vineyards and from those of local grower partners on the Old Mission and Leelanau Peninsulas. This diversity allows us to obtain consistent quality across vintages.

### Winemaker Comments

This is an explosion of fresh raspberries! This port style wine is lighter and a bit crisper than the other Sirius Dessert wines due to the natural acidity from the raspberries. There is a certain elegance to this wine that makes it one of a kind. It also makes a wonderful aperitif when mixed with our Bedazzled sparkling wine.

### Tasting Notes

Bright and fragrant with the essence of fresh raspberry jam on the palette followed by sweet warm alcohol on the finish.

### Thoughts for Food

Try it with tart cherry desserts or your favorite dark chocolate. If you prefer savory foods, pair it with a stinky blue cheese and experience that perfect unity of sweet and savory!
