Sirius Red Dessert Wine

Black Star Farms is located on the same 45th Parallel that runs through some of the great wine regions of the world. Our unique “lake effect” climate allows us to produce classic varietal wines that truly express our dynamic wine region. Fruit is sourced from both the proprietor’s vineyards and from those of local grower partners on the Old Mission and Leelanau Peninsulas. This diversity allows us to obtain consistent quality across vintages.

Winemaker Comments

The newest addition to our Sirius line, this wine was made in the style of a young, ruby port from the cold-hardy, hybrid grape Regent. It was fortified with an in-house distilled grape brandy then aged in oak barrels for one year. The result is a special and decadent after dinner treat.

Tasting Notes

Dark berries and spice, with hints of mocha and sweet warm alcohol on the finish.

Thoughts for Food

Try it with tart cherry desserts or your favorite dark chocolate. If you prefer savory foods, pair it with a stinky blue cheese and experience that perfect unity of sweet and savory!
